## After-School Activities

The activities are carefully planned in order to encourage self-improvement, team spirit, fair play, creativity and imagination. After-school activities allow pupils to come into closer contact with children from other classes, building new relationships and strengthening existing ones.

# LEARNING HABITS

At BSB we implement a learning model focused on the development of soft skills in all our curricular and extracurricular activities. Netball is a fully inclusive sport where children will develop their skills in game and skill settings. Netball is a fast, non-contact sport that has variations that BSB will include in the programme, such as 'High-5' and 7-a-side 'action' netball. The emergence of this sport in school will also link to netball fixtures and competitions through the year. We look at resilience within the game, tactical strategies to use throughout the game, and overall development of the fundamental skills of playing the sport competitively. Our fantastic opportunities to play many fixtures and go on tour help enhance these skills further and create a more competitive side to the sport.

Our netball is an introduction to the sport and working to develop student's teamwork skills, fundamental skills of throwing, passing and shooting; as well as creating a fun environment within the game.

# Frequently Asked Questions

## **1. Which is the registration deadline to register for an after-school activity?**

As places are limited, we suggest you register your child as soon as possible through our website.

## **2. Is it possible to register my child for a month, instead of a full term?**

For organisational reasons after-school activities are offered on a termly basis. Therefore, unfortunately it is not possible to register for less than one term.

## **3. Why is it that we pay the same price for a long term (15 weeks) as for a short term (9 weeks)?**

The price is based on a yearly calculation which is invoiced in three equal termly instalments.

## **4. How is payment managed?**

The invoice for the after-school activities will be issued termly, at the beginning of each term, according to the conditions agreed with the school.

## **5. Are there any discounted fees for siblings?**

Unfortunately this is not possible.

## **6. Is there a cancellation policy?**

For organisational reasons, fees cannot be refunded.

However, if your child would like to change the activity within the term, they can as long as there is a place available.

## **7. Will all the activities be in English?**

Not all the after-school activities are delivered in English as we offer activities

that are led by other organisations. Check the Language column.

## **8. Will all the after-school activities take place in the BSB?**

Our activities in our programme will take place in the BSB but Granvia Mar Sports Club and Andrés Gimeno Tennis Club offer our children other activities at this time in their installations.

## **9. Do students have to bring any specific equipment?**

For Sports-related activities, students must bring the PE school kit.

For the rest of activities, the school will provide students with the necessary equipment unless otherwise indicated.

## **10. What is the daily procedure?**

At the end of the day the class teacher will take the children to the after-school clubs meeting point where they will be collected by their after-school activities monitors/ teachers and taken to their activity.

If your child is taking an activity in the Granvia Mar Sports Club or the Andrés Gimeno Tennis club, you will be required to sign an authorisation form for their monitors to collect your child from the school.
