DRESS CODE FOR PRE-UNIVERSITY STUDENTS (YEARS 12 & 13)

Acceptable wear

Clothing should be suitable for a university or office environment. There is no uniform in Nexus, but we do ask students to dress for a semi-formal work environment. As such, we request that they do not wear the following:

- Ripped jeans
- Crop tops (i.e., tops cut to expose stomachs)
- Flip flops
- Short shorts
- Hats/hoods when inside (hoodies are allowed)
- Tops with offensive logos/slogans

We hope this dress code allows students to express themselves as the individuals that they are whilst also respecting the expectations of our community.
