The British School of Barcelona

The British School of Barcelona (BSB) is a great school in a wonderful location. We are an HMC school and were judged by a recent BSO (British Schools Overseas) Inspection to be outstanding in every area, including safeguarding, pupil welfare, pupil progress and outcomes.

BSB is a large, very popular school for children aged 3 to 18. Our curriculum is based on the English National Curriculum, and we offer a wide range of GCSEs, A levels and the International Baccalaureate Diploma, all alongside a significant enrichment programme.

We are based in three locations in Barcelona, one of the most vibrant, culturally rich cities in the world. BSB City is in the heart of the city of Barcelona itself with a Foundation campus (built September 2021), and a brand-new Primary and Secondary campus which will open in September 2023. BSB Castelldefels and BSB Sitges are just outside the city of Barcelona, minutes away from beautiful beaches and excellently connected by public transport. We have a Primary and Secondary campus in Castelldefels, and another Primary campus in the cosmopolitan town of Sitges.

The growth of the school has been accompanied by significant investment over recent years, including the building of a state-of-the-art Pre-University Centre (Nexus), a full-sized 4G rugby and football pitch, dedicated STEM facilities and the new BSB City campuses.
