Training Method for Kids

WHAT IS THE BSB WEVY SPORTS CAMP BY WAVE®?

The BSB WEVY Camp will be held from october 30 to 31 + november 1 to 3 children from 4 to 9 years old. The WAVE Trainers will carry out the WAVE methodology with students at The British School of Barcelona.

Boys and girls will learn the basic abilities or skills of ALL sports, through sports games, recreational games, technification, competition and cooperation. To do this, Wevy and Wevil, along with Fries, Tablet, Lazy and Shaker are our best allies. We gamify the trainings to obtain maximum motivation and performance. Our methodology has a great power of attraction for students, so all their experiences, training and moments are transformed into meaningful learning.

It will be an unforgettable experience!

TRAINING GAMIFICATION

We gamify the workouts to improve physical, intellectual and social skills of the children. Our methodology has a great power of attraction for students, so all their experiences, training and moments are transformed into meaningful learning.
