HEALTH AND SAFETY POLICY PART ONE - STATEMENT OF INTENT

INTRODUCTION

The school believes that ensuring the health and safety of staff, pupils and visitors and positively promoting health and safety is essential to the success of the school.

We are committed to:

- Providing a safe and healthy working and learning environment on and off site
- Preventing accidents and work related ill health
- Providing safe premises (including access and egress), plant and equipment
- Maintaining safe systems of work among staff (including teaching and non-teaching staff, peripatetic workers and students undertaking work experience) and pupils
- Assessing and controlling risks from curriculum and non-curriculum work activities
- Providing a safe means of use, handling, storage and transportation of articles and substances
- Formulating effective procedures for use in case of fire and/or the need for emergency evacuation of the school
- Providing adequate information, instruction, training and supervision to staff and pupils
- Consulting with staff, pupils and their representatives on health and safety matters
- Setting targets and objectives regarding health and safety performance to develop a culture of continuous improvement
- The regular monitoring and review of health and safety procedures and systems (to include risk assessments, accident records and health and safety related issues and complaints etc)
- Ensuring adequate welfare facilities exist throughout the school
- Ensuring adequate resources are made available for health and safety issues, so far as is reasonably practicable.

The school will establish a Health and Safety Management System to ensure the above commitments can be met. Cognita Schools Ltd, the Head, staff and pupils will play their part in its implementation.

PART TWO - ORGANISATION

INTRODUCTION

The Board of Directors of Cognita Schools Ltd are responsible for ensuring the implementation of this Health and Safety Policy.

The Directors delegate responsibility for health and safety management to the Managing Director and to their Head.

In order to ensure compliance with the law and the school's Statement of Intent the Head will arrange appropriate delegation of health and safety management issues as detailed in this part of the Policy.

HEAD WILL ENSURE:

- The promotion of a health and safety culture within the school and on off-site visits in order to prevent accidents, work-related ill health and damage to property.
- That a clear written health and safety policy is developed, implemented and communicated in accordance with relevant legal obligations, in accordance with BSO standards and other appropriate guidance and guidance from Cognita.
- The effective management of health, safety and welfare of staff, pupils, contractors, visitors and others so far as is reasonably practicable. This policy applies to all pupils, including those in the Early Years.
- Adequate control of health and safety risks arising out of the school's activities.
- The provision and maintenance of safe premises, plant and equipment.
- Responsibilities for health, safety and welfare are allocated to specific people and those persons are formally informed of these responsibilities.
- Persons to whom health and safety responsibilities are delegated are competent to do their tasks i.e. that they have sufficient experience, knowledge and training to perform the tasks required of them and have sufficient time and resources to undertake the role.
- The provision of adequate information, instruction, supervision and training for staff and pupils and others such as contractors, where appropriate.
- The establishment of a school H&S Committee which is representative of the operation and structure of the school and which meets at least Termly.
- That arrangements are in place for the effective consultation with staff, nominated trade union representatives and pupils regarding health and safety matters.
- Clear procedures are created for risk assessment, the development of safe working practices and reporting of accidents, incidents, dangerous occurrences and near misses.
- The formulation of effective procedures for use in case of fire and/or the need for emergency evacuation of the school.

- Sufficient funds are set aside for health and safety management in accordance with the Statement of Intent.
- The school complies with its reporting and record keeping obligations.
- Accidents, incidents, absence and complaints pertaining to matters of health and safety are properly investigated, if required, and that the school co-operates with the relevant enforcement agencies such as the HSE, local authority and fire authority, if required.
- Health and safety performance is measured both actively and reactively and measures are put in place to monitor the effectiveness of the health and safety arrangements in controlling identified risks.
- The school's health and safety policy is reviewed annually and in light of any significant change throughout the school academic year. Performance is monitored regularly and reports on the health and safety performance of the school are prepared for Head of H&S Europe.

SCHOOL H&S CO-ORDINATOR WILL ENSURE:

- The promotion of a positive health and safety culture within the School.
- The implementation of a clear, written School Health and Safety Policy that has been developed from the approved Cognita Spain model policy and is communicated and regularly updated in accordance with legal obligations (alongside other appropriate guidance and updates from the Cognita Group).
- Maintained liaison with other specialist health, safety and fire safety roles appointed within the School, to co-ordinate compliance actions and provide a central point of contact.
- The dissemination of information relevant to health and safety compliance ensuring all compliance duty holders and other key parties within the School are included.
- The co-ordination of the School's H&S Meetings, ensuring these are conducted in accordance with the Terms of Reference for school H&S committee.
- Central co-ordination and access as a key point of contact for any accident, incident or near miss occurrence. Ensuring thorough investigation, review, recording of information and escalation has been conducted and final actions closed out
- Liaison with all School Departments to ensure risk assessments are produced for tasks/activities within such areas, with information provided to relevant parties and regular review undertaken.
- Support as the key contact in order to co-operate with any enforcement agency such as the local authority and fire authority, as required.
- Systems are established to allow staff (both teaching and non-teaching) to receive adequate information, supervision and training (both induction training and ongoing training) in health and safety matters relevant to their specialist area by liaising with the School identified Training Co-ordinator.

- Prompt evaluation and, where appropriate, take action on health, safety and welfare concerns and issues which are reported to them, or refer them to the Head.
- Routine monitoring is established at the School including both internal and external audits and inspections, to ensure ongoing H&S compliance is reviewed and any actions raised are appropriately dealt with.
- Termly updates are provided to the School Safeguarding Governance committee detailing the School's progress with identified compliance issues and areas of focus.

MEMBERS OF THE SENIOR LEADERSHIP TEAM AND HEADS OF DEPARTMENT WILL ENSURE:

- Application of the school's Health and Safety Policy to their own department or area of specialism.
- Development and dissemination of a departmental/team health and safety policy, if appropriate, detailing the particular roles and responsibilities for health and safety in that specialist area and the organisational arrangements in place for achieving this.
- Familiarisation with current Regulations, Codes of Practice and Guidance appropriate to their specialist areas and with this Policy (eg new legislation, information from CLEAPSS etc).
- Risk assessments of the activities for which they are responsible are carried out and reviewed as required.
- All staff under their control (to include supply teachers and work experience students) receive adequate information, supervision and training (both induction training and ongoing training) in health and safety matters relevant to their specialist area.
- All statutory notices and appropriate safety signs are displayed in their specialist area.
- Adequacy of first aid provisions, protective clothing and equipment, registers and log books are available for use in their specialist area.
- Machinery, equipment and substances are accompanied by adequate information on use and that use is restricted to named individuals where necessary for reasons of health and safety.
- Prompt evaluation and where appropriate take action on health, safety and welfare concerns and issues which are reported to them, or refer them to the Head.
- Regular inspections are conducted of their areas of responsibility to ensure that equipment, furniture and activities are safe and record these inspections where required.
- So far as is reasonably practicable, that the provision of sufficient information, instruction, training and supervision to enable other staff and pupils to avoid hazards and contribute positively to their own health and safety.
- Investigation of any accidents, which occur within their sphere of responsibility.

- Monitoring of the health and safety of his/her department or area of responsibility (including records of risk assessments, health and safety related issues and complaints, and records of accidents) regularly) and prepare an annual report for the Head on the health and safety performance of his/her department or area of responsibility.
- Inclusion with the health and safety at departmental/team meetings.
