

AFTER-SCHOOL ACTIVITIES

SUMMER TERM 2023-2024

BSB

The British School
of Barcelona

CASTELLDEFELS

After-School Activities

Our after-school activity programme offers a good variety of options for students to continue learning after school time beyond the academic curriculum. The activities are carefully planned in order to encourage self-improvement, team spirit, fair play, creativity and imagination. After-school activities allow pupils to come into closer contact with children from other classes, building new relationships and strengthening existing ones.

Update registration information

If you would like to register your child for an activity or make any changes, please contact AfterSchool Act. Castelldefels on Cognita Connect or afterschoolactivities@bsb.edu.es via email.

Afterschool activities will begin from Wednesday 3rd April.

Once the registration period has closed, please contact AfterSchool Act. Castelldefels on Cognita Connect or afterschoolactivities@bsb.edu.es via email to sign up or to ask for information.

Terms & Conditions

- All activities delivered by external providers are quality assured by the school.
- For organisational reasons after-school activities are offered on a termly basis. Therefore, it is not possible to register for less than one term.
- The price is based on a yearly calculation which is invoiced in three equal termly instalments.
- The invoice for the after-school activities will be issued termly, at the beginning of each term, according to the conditions agreed with the school.
- There are not discounted fees for siblings.
- For organisational reasons, fees cannot be refunded. However, if your child would like to change the activity within the term, they can as long as there is a place available.
- Activities need a minimum of 9 students in order to go ahead.

LEARNING HABITS

At BSB we implement a learning model focused on the development of soft skills in all our curricular and extracurricular activities. Specifically, we focus on nine Learning Habits that provide the foundation for future success in school and life, preparing students to take on the challenges that lie ahead. They relate to four key areas: **emotional engagement** – attention and determination, **critical and independent thought** – curiosity, imagination and thinking, **strategic learning** – organisation and reflection and **collaborative teamwork** – socialising and leadership.

The icons next to the title of each Club illustrate the most outstanding Learning Habits for that type of activity, among others.

ORGANISATION

managing
and
controlling
your own
learning

LEARNING-DESIGNING: creating your own learning activities
PLANNING: anticipating needs and pitfalls of the learning journey
RESOURCING: building your bank of learning resources

CURIOSITY

having an
inquisitive
attitude
to life

WONDERING: being alive to puzzles and incongruities
QUESTIONING: seeking deeper understanding
EXPLORING: actively and adventurously investigating
EXPERIMENTING: trying things out to see what happens

SOCIALISING

benefitting
from and
contributing
to the social
world of
learning

COLLABORATING: being an effective and supportive team member
ACCEPTING: being open to ideas and feedback
IMITATING: being permeable to other people's good habits
EMPATHISING: adopting multiple perspectives

IMAGINATION

creatively
exploring
possibilities

VISUALISING: using mental rehearsal to refine skills and explore consequences
CONNECTING: using metaphor and association to leverage new ideas from what you know
PLAYING WITH IDEAS: allowing the mind to bubble up with possibilities
INTUITING: tapping into bodily-based hunches and inklings

ATTENTION

locking your
mind onto
learning

NOTICING: being attentive to details and patterns
CONCENTRATING: maintaining focus despite distractions
CONTEMPLATING: letting perception unfold
IMMERSING: being engrossed in learning

DETERMINATION

sticking with
challenges
that matter
to you

PERSEVERING: staying intelligently engaged with difficult things
RECOVERING: bouncing back quickly from frustration or failure
PRACTISING: mastering the hard parts through repetition

REFLECTION

standing
back and
taking stock
of learning

EVALUATING: appraising the quality of your own work
SELF-EVALUATING: knowing yourself as a learner
WITNESSING: quietly watching the flow of your own experience
THINKERING: blending doing and thinking together

THINKING

working
things out
with clarity
and accuracy

ANALYSING: reasoning with logic and precision
DEDUCING: drawing inferences from explanations
CRITIQUING: questioning the validity of knowledge claims
SYSTEMS THINKING: thinking about complex states of affairs

LEADERSHIP

having and
realising
a vision
to inspire
positive
change

DISPLAYING INTEGRITY: adherence to strong moral and ethical principles and values
SYNERGISING: seeking out other people's ideas to solve problems
MOTIVATING: inspiring others to achieve a goal
MAKING DECISIONS: weighing the evidence and taking action

- For organisational reasons, some free clubs have a limited number of places.
- Failure to attend on two consecutive weeks, without appropriate notification, will imply the reallocation of the place.

Additional Charges/Information

(*) Aloha (Maths) Club requires an additional one-off matriculation fee of €61 (including materials) for any new members.

(**) Taekwondo requires an additional charge for a license (Taekwondo Federation). This is paid directly to the teacher.

(***) Cookery requires an additional one-off matriculation fee of €25 for any new members. These will be paid directly to MyGranChef.

(****) Golf: Families will have to pick up their children at the end of the school day and bring them to the Canal Olímpic, where the activity will take place.

(*****) Climbing: Families will have to pick up their children at the end of the school day and bring them to Sharma Climbing Gavà, where they will take place.

(*****) Lydia School of Dance: You will be required to buy the Lydia School of Dance Ballet uniform (45euros) if you are registering for the Early Years Ballet classes, which include the tutu and the Ballet shoes. Price for the Junior Ballet uniform is 50 euros. You will be required to buy the Lydia School of Dance Fusion uniform (35 euros) if you are registering for the Dance Fusion classes.

Sports Clubs

Multi-Skills

The Multi-Skills Club is a sports-oriented club for our youngest students, so they can gain confidence and progress their sporting skills in a wider variety of activities. Each session will focus on FUN games that develop agility, balance and coordination; skills that can be transferred to our Multi-Sports and Sports-Specific Programme such as football, rugby, basketball and Netball in the future.

Netball

Netball is a fully inclusive sport where children will develop their skills in game and skill settings. Netball is a fast, non-contact sport that has variations that BSB will include in the programme, such as 'High-5' and 7-a-side 'action' netball. The emergence of this sport in school will also link to netball fixtures and competitions through the year. We look at resilience within the game, tactical strategies to use throughout the game, and overall development of the fundamental skills of playing the sport competitively. Our fantastic opportunities to play many fixtures and go on tour help enhance these skills further and create a more competitive side to the sport.

Our netball is an introduction to the sport and working to develop student's teamwork skills, fundamental skills of throwing, passing and shooting; as well as creating a fun environment within the game.

Football

BSB Football sessions are open to all abilities, girls and boys, with a keen interest in developing their football skills and team spirit by helping support each other. The sessions will include drills and skill practices and will increase understanding of the game through small-sided matches. From Y4 onwards there will also be the opportunity to represent the BSB in the local league on Saturdays playing against other schools and clubs in a 5-a-side or 7-a-side league during the course of the year. Everyone will have lots of fun including our parents.

FCF Federated Football

A new level of sporting competition in Football for our BSB pupils from September 2023. BSB is now part of the FCF on its own and will be able to play in competitive leagues. As a federated team sport, the subscription requires parents to sign their child up to the club, and pay a subscription. The subscription includes all training sessions (x2 per week) as well as the match fees. Matches will be played in the FCF league from September/October 2023 to May/June 2024. The details have been sent out to all parents via Cognita Connect. Any new families interested to BSB federated football in September 2023, please contact us at bsbsportsclub@bsb.edu.es

Basketball

Basketball is a much-loved sport all over the world that is high paced, fun and involves high scoring play for each team. It is a great way to exercise, make friends and develop your communication skills. If you want to take part in a sport that will keep you fit, teach you teamwork skills and gives you the opportunity to play competitively within the school league and BISA tournaments plus a tour to the UK, then basketball is for you!

Rugby

The development of Rugby continues to be a keen focus at BSB, for both girls and boys of all ages, and ability levels. This year we are working to further increase the focus of this sport, building toward the RWC2023 in France. With links in local clubs both in Barcelona area and Sitges, we are hoping to instigate more rugby fixtures throughout the school year. Rugby continues to be a main part of the PE & Games curriculum with the interhouse competition taking place within the school year, for all.

Cheerleading

Cheerleading is a very young sport in this country. It arrived in 2010 and although is still little known, it is a very striking activity. It consists in the execution of short performances with music. These performances include human towers & pyramids, acrobatics, jumps and different dances that form a spectacular show! This sport ensures that all children have a position to occupy in the activity, advocates the integration of all by giving them a specific site that matches their abilities. Organised by the Bears Sports Club.

Years 2-6

Thursday 16.30 - 18.00

Golf (****)

Are you new to the game of golf or have you experienced the fun and excitement of a perfectly hit shot? What better way to improve your game by joining us in a small, focused class where all of the skills a confident golfer requires will be practiced!

We organise an exclusive golf training course for a small group of BSB students from Year 4 to Year 8 at the Canal Olímpic with one of their instructors, alongside Mr Taylor.

The training course will run with a minimum of 4 students and will not exceed a maximum of 8.

Years 4-8

Tuesday 17.00 - 18.00

Spanish/English

225€

Climbing (*****)

Organized exclusively for BSB by Sharma Climbing Gavà in company of Mr Aguilar. In our classes, children will be introduced to the world of climbing under the careful supervision of climbing teachers. With a focus on safety at all times, participants will learn basic climbing techniques as well as gain new knowledge about everything that involves climbing.

Beyond simply climbing walls, at Sharma Climbing Gavà we firmly believe that climbing is much more than a sport: it is a powerful tool for the overall growth and development of children. Through climbing, children develop physical skills such as strength, balance and coordination, while also strengthening their confidence, problem solving and social skills. In addition, we encourage self-improvement and teamwork, as each child encourages and supports their classmates in each promotion.

Years 5-6

Monday 17.00 - 18.00

ICT Zone

Working in a fun and safe environment the ICT Zone will cover many topics (using iPads and laptops) including:

- Learn how to be safe online (digital footprints, social media, etc.)
- How to program...from animating in Scratch and designing your own Dancy Party all the way to creating your own Star Wars or Frozen games using block programming.
- Become your own movie director with video creation and editing software.
- Learn about overlays, green screen, audio cues and filters.
- Unleash your musical creativity with audio editing and creation, from creating your own songs, to soundtracks for your movies.
- Use the Sphero Bolt robots to learn advanced block programming, obstacle courses and team challenges.
- Using Minecraft (Education release version) to complete mini-projects and app-smashing challenges.

At the end of each session we provide a Showcase Free-Time slot where each student can show their passion and share something they have done themselves and want to share with the group.

Knitting Club

Knitting is great for children as not only do they learn a new creative skill as well as raising self esteem and other life skills such as, patience, perseverance, and communication. Knitting also shows that mistakes can be undone and your final goal can still be achieved.

The club is aimed at beginners and during the Summer Term, we will be learning about different types of wool and knitting needles. We will also learn how to get started and some basic stitches and work towards making a small garment.

Materials will be provided for the class and can be taken home during the week. At the end of each term the needles will need to be returned to school, but we can give you suggestions on where to buy them if you decide to continue. Families will need to purchase any additional wool and the teacher will be happy to give suggestions on where to find this.

Spanish Club

An opportunity to learn and practice Spanish in an entertaining way. Lots of songs, games, stories and interactive role-play for all to enjoy.

Years 1-2	Friday 15.45-16.45	Spanish	100€
-----------	--------------------	---------	------

Spanish Lessons

In the extracurricular activity of Spanish, we will study the language in a more playful way. We will help them to expand and reinforce their vocabulary to achieve greater fluency in this language and their oral skills.

Years 3-6	Monday 16.30 - 18.00	Spanish	140€
-----------	----------------------	---------	------

LAMDA Drama Lessons

LAMDA is the oldest drama school in the UK. They have developed an enviable reputation for excellence in the provision of Communication and Performance examinations in the UK, and they are rapidly extending their reach internationally. We are very excited to be able to offer this in Spain!

In private one-to-one half hour acting classes, students will prepare for the LAMDA exams with the help and guidance of a professional actress. They will have fun and build their confidence whilst developing their vocal, physical and interpretive skills.

This is available to students from Year 3 upwards. Do note classes will take place during the school day, rotated where possible. Priority for break times and lunch times will be given to secondary exam-level students. Places are limited and subject to availability.

This is currently only available on our BSB Castelldefels campus.

For more information and pricing please contact afterschoolactivities@bsb.edu.es or AfterSchool Act. Castelldefels via Cognita Connect.

Peripatetic Music Lessons

One-to-one instrumental tuition on a chosen instrument with a dedicated team of expert teachers. Lessons can take place before, during or after the school day.

For more information please contact music@bsb.edu.es

Frequently Asked Questions

1. Which is the registration deadline to register for an after-school activity?

As places are limited, we suggest you register your child as soon as possible through our website.

2. Is it possible to register my child for a month, instead of a full term?

For organisational reasons after-school activities are offered on a termly basis. Therefore, unfortunately it is not possible to register for less than one term.

3. Why is it that we pay the same price for a long term (15 weeks) as for a short term (9 weeks)?

The price is based on a yearly calculation which is invoiced in three equal termly instalments.

4. How is payment managed?

The invoice for the after-school activities will be issued termly, at the beginning of each term, according to the conditions agreed with the school.

5. Are there any discounted fees for siblings?

Unfortunately this is not possible.

6. Is there a cancellation policy?

For organisational reasons, fees cannot be refunded.

However, if your child would like to change the activity within the term, they can as long as there is a place available.

7. Will all the activities be in English?

Not all the after-school activities are delivered in English as we offer activities

that are led by other organisations. Check the Language column.

8. Will all the after-school activities take place in the BSB?

Our activities in our programme will take place in the BSB but Granvia Mar Sports Club and Andrés Gimeno Tennis Club offer our children other activities at this time in their installations.

9. Do students have to bring any specific equipment?

For Sports-related activities, students must bring the PE school kit. For the rest of activities, the school will provide students with the necessary equipment unless otherwise indicated.

10. What is the daily procedure?

At the end of the day the class teacher will take the children to the after-school clubs meeting point where they will be collected by their after-school activities monitors/ teachers and taken to their activity.

If your child is taking an activity in the Granvia Mar Sports Club or the Andrés Gimeno Tennis club, you will be required to sign an authorisation form for their monitors to collect your child from the school.

11. Will there be childcare service provided?

Yes, there is childcare service during the after-school activities until 18.00 from Monday to Thursday and until 17.00 on Fridays.

12. Between what times do the after-school activities run?

As a general rule, after-school

activities will run from 16.30 to 18.00. Please check the after-school activities chart for each particular activity.

13. Where will we collect our children at the end of the day?

Parents/guardian must collect their children from the school no later than 18.00 at the BSB Rambla from Monday to Thursday, and 17.00 on Fridays.

If the after-school activity takes place in the Granvia Mar Sports Club or the Andrés Gimeno Tennis Club, parents/guardian must go to the Club to collect their children.

14. When is the latest time I can collect my child?

You should collect your child no later than 18.00 Monday to Thursday and 17.00 on Friday.

15. How can I enroll my child in the Granvia Mar Sports Club and the Andres Gimeno Tennis Club after-school activities?

Please contact the Granvia Mar Sports Club and the Andrés Gimeno Tennis Club directly.

More information at www.cdgranviamar.com & www.tenisgimeno.com

16. Is there a late bus service for after school activities?

There are late shuttle buses going to Barcelona, Sitges and Vilanova which are free of charge for current bus users. For information on availability and times/stops, please contact bus@bsb.edu.es.
