

AFTER-SCHOOL ACTIVITIES

SUMMER TERM 2023-2024

After-School Activities

Our after-school activity programme offers a good variety of options for students to continue learning after school time beyond the academic curriculum. The activities are carefully planned in order to encourage self-improvement, team spirit, fair play, creativity and imagination. After-school activities allow pupils to come into closer contact with children from other classes, building new relationships and strengthening existing ones.

Registration & Contact e-mail

If you would like to register your child for an activity or make any changes, please contact AfterSchool Act. City on Cognita Connect or afterschoolactivities.bcn@bsb.edu.es via email.

Afterschool activities will begin from Wednesday 3rd April.

Once the registration period has closed, please contact AfterSchool Act. City on Cognita Connect or afterschoolactivities.bcn@bsb.edu.es via email to sign up or to ask for information.

Terms & Conditions

- All activities delivered by external providers are quality assured by the school.
- For organisational reasons after-school activities are offered on a termly basis. Therefore, it is not possible to register for less than one term.
- The price is based on a yearly calculation which is invoiced in three equal termly instalments.
- The invoice for the after-school activities will be issued termly, at the beginning of each term, according to the conditions agreed with the school.
- There are not discounted fees for siblings.
- For organisational reasons, fees cannot be refunded. However, if your child would like to change the activity within the term, they can as long as there is a place available.
- Activities need a minimum of 9 students in order to go ahead.

Additional charges:

***Cookery:** MyGranChef requires an additional one-off matriculation fee of €25 for any new members. These will be paid directly to MyGranChef.

****Aloha (Maths)** requires an additional one-off matriculation fee of €61 (including materials) for any new members.

LEARNING HABITS

At BSB we implement a learning model focused on the development of soft skills in all our curricular and extracurricular activities. Specifically, we focus on nine Learning Habits that provide the foundation for future success in school and life, preparing students to take on the challenges that lie ahead. They relate to four key areas: **emotional engagement** – attention and determination, **critical and independent thought** – curiosity, imagination and thinking, **strategic learning** – organisation and reflection and **collaborative teamwork** – socialising and leadership.

The icons next to the title of each Club illustrate the most outstanding Learning Habits for that type of activity, among others.

ORGANISATION

managing
and
controlling
your own
learning

LEARNING-DESIGNING: creating your own learning activities
PLANNING: anticipating needs and pitfalls of the learning journey
RESOURCING: building your bank of learning resources

IMAGINATION

creatively
exploring
possibilities

VISUALISING: using mental rehearsal to refine skills and explore consequences
CONNECTING: using metaphor and association to leverage new ideas from what you know
PLAYING WITH IDEAS: allowing the mind to bubble up with possibilities
INTUITING: tapping into bodily-based hunches and inklings

DETERMINATION

sticking with
challenges
that matter
to you

PERSEVERING: staying intelligently engaged with difficult things
RECOVERING: bouncing back quickly from frustration or failure
PRACTISING: mastering the hard parts through repetition

THINKING

working
things out
with clarity
and accuracy

ANALYSING: reasoning with logic and precision
DEDUCING: drawing inferences from explanations
CRITIQUING: questioning the validity of knowledge claims
SYSTEMS THINKING: thinking about complex states of affairs

CURIOSITY

having an
inquisitive
attitude
to life

WONDERING: being alive to puzzles and incongruities
QUESTIONING: seeking deeper understanding
EXPLORING: actively and adventurously investigating
EXPERIMENTING: trying things out to see what happens

SOCIALISING

benefitting
from and
contributing
to the social
world of
learning

COLLABORATING: being an effective and supportive team member
ACCEPTING: being open to ideas and feedback
IMITATING: being permeable to other people's good habits
EMPATHISING: adopting multiple perspectives

ATTENTION

locking your
mind onto
learning

NOTICING: being attentive to details and patterns
CONCENTRATING: maintaining focus despite distractions
CONTEMPLATING: letting perception unfold
IMMERSING: being engrossed in learning

REFLECTION

standing
back and
taking stock
of learning

EVALUATING: appraising the quality of your own work
SELF-EVALUATING: knowing yourself as a learner
WITNESSING: quietly watching the flow of your own experience
THINKERING: blending doing and thinking together

LEADERSHIP

having and
realising
a vision
to inspire
positive
change

DISPLAYING INTEGRITY: adherence to strong moral and ethical principles and values
SYNERGISING: seeking out other people's ideas to solve problems
MOTIVATING: inspiring others to achieve a goal
MAKING DECISIONS: weighing the evidence and taking action

Dance Introduction

Taught at the renowned Sandance Studio, this activity is focused on the initiation to dance for the little ones. In this activity we work on the technique and discipline of ballet to the rhythm of current music, including more fluid movements that characterize jazz. The class consists of a warm-up, a game related to dance (mirrors, statues...), choreography and cool down.

Nursery - Year 1

Thursday 16.00- 17.20

English/Spanish

215€

Modern Dance & Jazz

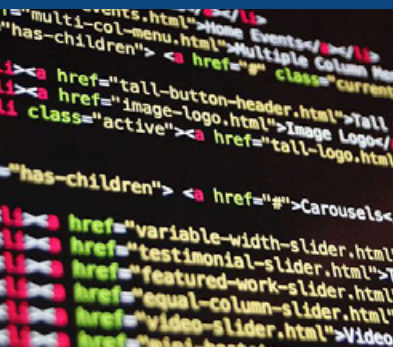

Organised by the renowned Sandance Studio, this activity is aimed at slightly older students in which body awareness, expressiveness, and coordination are worked on in greater depth, always to the rhythm of current music. The class consists of a warm-up, diagonals, choreography and cool down.

Years 2-6

Wednesday 16.00 - 17.20

English/Spanish

215€

Video Games Coding Club

This year in Coding Club we will be taking that interest in technology and turn it into a productive skill. The Coding Club is a fun way to learn to code in a social, after-school setting. Video games creation with Scratch, coding Minecraft, and becoming a problem solver while driving your SPHERO robotic ball through a gigantic maze. Beating all your opponents and crossing the finish line first!

Years 5-6

Thursday 16.00-17.30

Art Club Experience

Experience the joy of artistic expression with our After School Art Club for Years 2-6! Join us for an immersive journey through three captivating terms, each dedicated to a different artistic medium. In Term 1, discover the tactile beauty of textiles as you experiment with weaving, stitching, and fabric design. In Term 2, ignite your creativity with the art of painting, as you explore various techniques and bring your imagination to life on canvas and finally in Term 3 dive into the fascinating world of clay and sculpture, molding and shaping unique pieces that showcase your artistic flair. Through this engaging and hands-on program, you'll unleash your creativity, develop new skills, and forge lifelong memories. Come join our vibrant Art Club and let your artistic journey begin!

Years 2-6

Monday 16:00-17.30

English

150€

Mini - Art Club

This is a great opportunity for children to develop their creative abilities. They will acquire new skills by using a variety of materials and techniques. The children are actively involved in the choice of subjects.

Nursery - Year 1

Tuesday 16.00 - 17.00

English

100€

Garden Sprouts Club

Discover the wonders of nature with our Garden Sprouts Club.

Designed for curious children, we will cultivate a love for plants through hands-on activities, learning about and caring for flowers and vegetables as we plant the seeds of curiosity and watch them bloom into a lifelong passion for gardening!

Nursery - Year 1

Tuesday 16.00 - 17.00

English

100€

S.T.E.M Club

Through an integrated approach, the science, technology, engineering and mathematics (STEM) club will provide diverse opportunities for students to explore, create and learn with hands-on kits while also applying the 4C's (critical thinking, collaboration, communication and creativity) of the 21st-century. The fun hands-on learning crates will spark student's curiosity and a love for learning new things and acquiring more in-depth understanding of their prior knowledge. As they participate in problem-solving through discovery learning, our goal to inspire a love for learning is achieved innovatively and in a profoundly enriching way.

Years 2-4

Wednesday 16.00 - 17.30

English

150€

Academic Clubs

Numbers Party

At Aloha Mental Arithmetic, we work on mathematics using the Japanese abacus. Using the abacus, students perform addition, subtraction, multiplication, division... Progressively, they perform the operations mentally imagining the abacus. The complete program consists of 8 or 10 levels, depending on the age at which they start.

In The Numbers Party, we will work on numbers from a dynamic and playful approach. We adapt the activities and sessions to the needs and difficulties of the students. We want students to enjoy mathematics in a fun way. In each session we set an objective to achieve.

Years 2-6

Wednesday 16.00 - 17.30

Spanish

180€ (**)

StartKidsUp

StartKidsUp helps children to develop their initiative, creativity and leadership through ludic educational entrepreneurship courses.

Each trimester starts with the gamified soft-skills workshops that participants will later on apply when creating their team startup: Critical Thinking, Creativity, Empathy, Strategy, Financial Education and Communication.

In teams, participants will create a startup related to the topic most preferred by them: technological venture, sustainability, art, social or science, defining in each case what product or service they offer to a specific group.

Years 4-6

Tuesday 16.00-17.30

English

195€

StartTeensUp

StartTeensUp helps teenagers to explore their academic interests while they develop problem-solving, creativity & leadership skills through the ideation of an innovative project.

Creating a startup implies considering how our talent combined with others can make an impact through innovation.

Years 7-10

Thursday 16.30 -18.00

Peripatetic Music Lessons

One-to-one instrumental tuition on a chosen instrument with a dedicated team of expert teachers. Lessons can take place before, during or after the school day. For more information please contact music@bsb.edu.es

LAMDA Drama Lessons

After a very successful three years of LAMDA at BSB Castelldefells, we are very excited to offer our BSB City students a LAMDA taster term in which they will get the chance to have One on One classes with a professional actress, resulting in a performance at the end of the school year. This will give them an idea of what to expect from the full LAMDA exam course which will be available to all students from September.

LAMDA is the oldest drama school in the UK. They have developed an enviable reputation for excellence in the provision of Communication and Performance examinations in the UK, and they are rapidly extending their reach internationally.

They will have fun and build their confidence whilst developing their vocal, physical and interpretive skills. This is available to students from Year 3 upwards. Do note classes will take place during the school day, rotated where possible. Priority for break times and lunch times will be given to secondary exam-level students. Places are limited and subject to availability.

This is currently only available on our BSB City Main Campus and BSB Castelldefells campus. For more information and pricing please contact afterschoolactivities.bcn@bsb.edu.es or AfterSchool Act. City via Cognita Connect

Frequently Asked Questions

1. Which is the registration deadline to register for an after-school activity?

As places are limited, we suggest you register your child as soon as possible through our website.

2. Is it possible to register my child for a month, instead of a full term?

For organisational reasons after-school activities are offered on a termly basis. Therefore, unfortunately it is not possible to register for less than one term.

3. Why is it that we pay the same price for a long term (15 weeks) as for a short term (9 weeks)?

The price is based on a yearly calculation which is invoiced in three equal termly instalments.

4. How is payment managed?

The invoice for the after-school activities will be issued termly, at the beginning of each term, according to the conditions agreed with the school.

5. Are there any discounted fees for siblings?

Unfortunately this is not possible.

6. Is there a cancellation policy?

For organisational reasons, fees cannot be refunded.

However, if your child would like to change the activity within the term, they can as long as there is a place available.

7. Will all the activities be in English?

Not all the after-school activities are delivered in English as we offer activities that are led by other organisations. Check the Language column.

8. Will all the after-school activities take place in the BSB?

Our activities in our programme will take place at BSB unless otherwise indicated

9. Do students have to bring any specific equipment?

For Sports-related activities, students must bring the PE school kit. For the rest of activities, the school will provide students with the necessary equipment unless otherwise indicated.

10. What is the daily procedure?

At the end of the day the class teacher will take the children to the after-school activities monitors/teachers.

11. Will there be childcare service provided?

Yes, there is childcare service during the after-school activities until 18.00 from Monday to Thursday and until 17.00 on Fridays.

12. Between what times do the after-school activities run?

As a general rule, after-school activities will run from 16.00 to 17.30. Please check the after-school activities chart for each particular activity.

13. Where will we collect our children at the end of the day?

You will collect your children at BSB at the end time of the activity. Please check the after-school activities chart for each particular activity.

14. When is the latest time I can collect my child?

You should collect your child no later than 18.00 Monday to Thursday and 17.00 on Friday.
